Would you like to consider reusing unnecessary items such as bulky garbag

Would you like to consider reusing items that can be reused before paying to dispose of them as bulky garbage.

For items that can be purchased on site, they can come to your home for collection.

You can carry out a batch assesment of unnecessary items on the reuse platform 'Oikura' operated by Market Enterprise Co., Ltd which has a business partnership with Shiroi city.

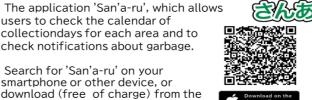

* Not all items can be picked up, as items that can be resold are subject to purchase.

Click here for a batch assessment

> users to check the calendar of collectiondays for each area and to check notifications about garbage.

Search for 'San'a-ru' on your smartphone or other device, or download (free of charge) from the QR code shown on the right.

the collection date with the smartphone app.
